PRINCIPAL, CLAYTON COBB

ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Families,
Annual fund is a year-round project to assist St. Joseph Catholic School in furthering the mission for the sake of our students and teachers. Each year, we communicate with our families about the possibility of giving to this important cause. It is a tax-deductible opportunity for those who wish to be so charitable. Every dollar used is an opportunity to provide funds for our school in areas that are not covered by tuition. Such giving allows for us to keep tuition rates at a lower cost for our families. I ask that you prayerfully consider giving to this important cause. If your family has already given, we extend our thanks for your kindness and charity.

We are still registering for the 2025-2026 school year. Some classes have plenty of room, while others are filling up fast. At this time, we are in the open enrollment phase so no spot is guaranteed. It is important to register this month to guarantee a spot for your child. We are excited for the upcoming school year with so many new families touring and shadowing at our school. Have a great week! St. Joseph, pray for us.

ST. PAUL MIKI

Paul, a young Japanese convert to Christianity, entered the seminary to become a Jesuit.

The Japanese government was persecuting Christians at this time, and Paul was captured and sentenced to death. He prayed that God would forgive his captors, and he said to those standing nearby at his crucifixion, "Ask Christ to help you become happy."
