

FALCON NEWS

PRINCIPAL, CLAYTON COBB

ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Families,

We are preparing to say goodbye to the SJS class of 2025. There are so many wonderful things that can be said about this class. They are high-achievers in the classroom. They have put out some of the highest high school placement scores for any 8th grade class in the last 10 years. They have hearts of servants. Even if there were not 50 students, their totals for service hours are more than impressive. They are the ones that you see at events like Pancakes with Santa, Falcon Fest, and SJS Camps that give of their time to provide assistance for others. They are quick to follow instructions. Say what you will about expectations of teenagers. Having them in my home and having taught high school and middle school, I know too well what students are capable of, but you have to tell them so many times, giving constant re-direction. Not this group! Even with the 8th grade prank, when they messed up, they fixed it. Class of 2025 will certainly be remembered for a number of things, but they will be remembered especially for excellence, service, and obedience. We are grateful for their time spent at St. Joseph Catholic School. We are hopeful that where they go will be a journey that walks with Christ and one that leads others to walk closely with Him as well. We pray for your success and hope you come and visit soon. St. Joseph, pray for us.

IT'S A GREAT TIME TO BE A FALCON!

VIRTUE OF PERSEVERANCE

DEFINITION:

Taking the steps necessary to carry out objectives in spite of difficulties

PRAYER:

Dear Jesus, You carried Your cross to Calvary even though You were tired, weak, and hurting. Please give me strength not to give up when life gets hard.

LOOKS LIKE:

Taking the time to do school work neatly and thoroughly

SOUNDS LIKE:

I will take the time to do my work well.

ST. MONICA

St. Augustine would possibly not have become a saint had it not been for his mother, Monica. For many years, Monica prayed for her wayward son from the time he was a young boy and even as he grew up and turned to pagan religions. Her unceasing prayers and tears were rewarded when her son converted to Christianity and became a great man of God.

INTERESTED IN volleyball?

If your female student is a rising SJS 5th or 6th grader, interested in playing volleyball next spring, and wants to work on developing skills this summer, text Jude Armand at: 504-710-5009.

Mr. Jude will be coaching the JV Volleyball team next spring and would like to work with the team over the summer at the SJS gym. Practices are expected to begin the first week of June and will be available for registered SJS students only.
