

FALCON NEWS

PRINCIPAL, CLAYTON COBB

ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Families,
Tuesday is an opportunity to support your Catholic school, St. Joseph. The opportunity provided is through the annual giving day known as Give for Good. St. Joseph uses this day as an opportunity to raise funds to further the mission of St. Joseph Catholic School. It was the original vision of both Bishop Charles Greco and Fr. Joseph Gremillion to establish a parochial school when our parish was founded. Our school opened in 1951 and will soon celebrate 75 years of Catholic education for the community right here in the heart of Broadmoor. Many of our families have been here since the early years. Many families have been here for three and four generations. Many families choose our school because it reminds them of the Catholic school they had back home. Many choose Catholic education because they desire the best experience for their child's formative years. St. Joseph Catholic School is happy to provide such a service in our community for 313 students during this school year and the numbers are looking quite similar for next year. Please consider giving to this important cause and support the students and faculty of St. Joseph Catholic School. See the page below for more details. St. Joseph, pray for us.

ST. MONICA

St. Augustine would possibly not have become a saint had it not been for his mother, Monica. For many years, Monica prayed for her wayward son from the time he was a young boy and even as he grew up and turned to pagan religions. Her unceasing prayers and tears were rewarded when her son converted to Christianity and became a great man of God.
