

FALCON NEWS

PRINCIPAL, CLAYTON COBB

ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Families,
It has been a busy start to the school year for everyone! We are excited to begin the basketball season with our Lady Falcons! We will have our first game this Thursday at Southfield. See the schedule for the season on following pages. We pray that they do well in representing our school on the court with true talent and sportsmanship. We also hope that our cheerleaders keep the party going at every home game. We all appreciate the hard work that they put in to support our athletic teams.

This past week, we launched a new initiative called SJS Partners in Education. For one, we hope that this streamlines the work in communicating with our faithful sponsors as well as new ones. We also hope that we are able to effectively fundraise for our school to meet the educational needs for our students that tuition does not cover.

If you also recall, we discussed that we are launching our Annual Fund in the month of September. We are hoping for 100% participation from our school families. It is understood that not everyone is capable of giving a large amount. Therefore, please note that it is not always about how much we give. Rather, it is important that we give. Please be on the lookout for items being mailed and emailed to families.

If you recall, the motto of St. Joseph Catholic School is "Academic Excellence Surrounded by Faith." We invite our families to come and pray before our Lord, present in the most Blessed Sacrament. We will have prayer time in the church each first Friday. We hope that you are able to join us.

T-shirts and Wristbands are now on sale for Falcon Fest! Please scan the QR Code on Page 6 and make your purchases. Let's pray for a great week! St. Joseph, pray for us.

VIRTUE OF PATRIOTISM

DEFINITION:

Paying due honor and respect to one's country, with a willingness to serve.

PRAYER:

Dear Jesus, please bless my country and all those who work hard to lead it. May You always be King of this land. May You be glorified through its government and laws. Give me a heart of service.

ST. LOUIS IX

Louis IX was a great French king who combined his love of Christ and the Church with a willingness to serve his country. He protected and helped the French priests, set up shelters and hospitals for the poor and sick, and built beautiful churches for the people of France. He also gave thought to his own prayer life, spending many hours in prayer for himself and his country.

Introducing SJS Partners in Education

August 28, 2024

Dear St. Joseph Catholic School Community,

We are thrilled to share a new fundraising initiative at St. Joseph Catholic School: Partners in Education! Beginning this school year, businesses and families will have the opportunity to pledge year-long support to St. Joseph Catholic School.

Donors will gain many added benefits, such as:

- Visibility at popular events:
 - Falcon Fest
 - PTO Silent Auction
 - Falcon Shoot Out
- Digital Signage
- Print Recognition

And much more!

We ask all SJS families to help spread the word about the incredible opportunity to support St. Joseph Catholic School and provide excellent visibility for businesses. More information will be shared in the coming week, but for now, we ask that all families help identify businesses that they think may benefit from this partnership opportunity and email their information to PTOPresident@sjsfalcons.org.

With levels starting as low as \$500 for year-long brand recognition, this is an opportunity not to be missed. We understand you have many worthy causes to support, and we are truly grateful for your consideration. Your generosity will play a crucial role in ensuring that St. Joseph Catholic School continues to thrive and set new standards in education.

We are deeply grateful for your unwavering support and commitment to St. Joseph Catholic School. Together, let's make this campaign a resounding success and further our standard for excellence in education!
