

FALCON NEWS

PRINCIPAL, CLAYTON COBB

ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Families,
99% of the SJS population did a great job in having students arrive to school on time, ready to take their tests! We appreciate the effort put forth by all parents to ensure that this was done. Reminder that we will be testing all week in the mornings. Special note: **MASS HAS BEEN MOVED TO FRIDAY OF THIS WEEK, 4/26.** Mass will be at the normal time of 8:15 AM.

Please take note that this is the last week of the school year that we are having tutoring in the library after school. We appreciate our partnership with Loyola College Prep and the assistance provided by their National Honor Society. If your child has participated in the tutoring program, the administration would love to hear feedback from you!

This Friday is a very special day for our 5th graders. While it is a shame that they have to grow up, we want them to have a great welcome to the SJS middle school. We are having our annual SJS 5th Grade Mixer Dance this Friday in the gym! All of the fun starts at 7PM and pick-up is at 9PM. Parents, please read the information on p.4 of the newsletter carefully. We ask that everyone drops their child off, takes a few pictures, and does not lag behind. Speaking of growing up, our SJS 8th Grade Class of 2020 will be on campus, taking one last trip through the halls before they graduate from high school! It seems like they were just here but we are happy to give them a proper send off! Have a great week. St. Joseph, pray for us.

Camp Descriptions

Miracle Quest: Journey with Jesus: The Bible invites us into the greatest adventure of all- following Jesus. It's important for children to learn all that the Bible teaches about Jesus' ministry on earth and the amazing miracles he gave to the world. Join us as we dive deep into a different miracle each day of this camp. Children will have the opportunity to learn about miracles through hands-on science experiments, art projects, acting, and playing games.

Camp Louisiana: We will explore the geography and rich cultural diversity of the Bayou State. The information and activities will be centered around foods, music, agriculture, physical geography, festivals, and French language.

Cowboys for Christ: The overall camp week consists of hands-on faith based Crafts that incorporate the Cowboy/Cowgirl theme. We will have daily Christian song and dance time along with story time. The afternoons will be filled with safe water outdoor activities. The week will conclude with a field trip to A.C. Steere Park.

Summer Olympics: This camp will teach the children the value of hard work, giving them the skills to support each other, and have fun getting active. The children will experience a Mini-Olympics, with running races, bean bag throwing, egg-and-spoon races, tug a war, sack race, and much more.

Reading Camp I, II, and III: This week will be a fast-paced and fun way to complete a student's assigned summer reading requirements. We will read the books and complete the required assignments, but we will also enjoy some fun activities and projects using our books as our framework during this terrific camp. This will be a great way to complete the assigned reading while having fun for the students (along with less stress for their parents).

Once Upon a Summer Camp: Join us for a week-long celebration of reading! Each day, we will discover a beloved children's book author. Our activities will be designed around the themes of some of the authors' most adored books. Have fun learning about Eric Carle, Mo Williams, Eric Litwin, Jerry Pinkney, and Jan Berenstain's exciting life journeys. Children will love listening to so many wonderful stories paired with engaging crafts, lessons and science experiments!

Imagination Station: Students will enjoy incorporating art, music, and drama within stories including: mystery, comedy, poetry, adventure, and science fiction.

Read, Write, and Blue: Join us on a journey through books! The books will consist of Caldecott Honor books, science books, patriotic books, character education books, cultural books, and more. Each day will be filled with reading, writing, art activities, centers, snacks, and videos.

Basketball Camp I and II: Come work on your basketball skills with Coach Z. Campers will work on foundational basketball skills. You do not need to currently play basketball.

Faith Builders: The overall camp week consists of Lego Building with hands-on faith based and Lego themed crafts along with many Lego themed and Christ filled interactive movement activities. The afternoons will be filled with safe water outdoor activities. The week will conclude with a field trip to A.C. Steere Park.

Sports Mania: In this camp, kids can try at a variety of sports and physical activities. They might learn new sports skills, participate in team-building activities, and have fun getting active.

Mini Cheer Camp: Students will spend the week learning cheers and chants!
