

FALCON NEWS

PRINCIPAL, CLAYTON COBB

ASSISTANT PRINCIPAL, KATHERINE SUCKLE

.Dear St. Families,

The school year will close soon. We will soon see the advancement of our K5 and our 8th graders to bigger and better things. It is sad to see some growing and it is sad to see some going. Still, it is the reality we face every single May. We have chronicled the success of one group on our campus and they are fully prepared to leave the Falcon Nest. While we cannot wait to see what these future freshmen do, we are filled with joy and anticipation as we have 30 students who are preparing to begin their journey into elementary education. Let us keep our students in prayer, whether here with us or as they prepare to soar.

Being the end of the school year, there is still so much to do. Grades are not all complete as of yet so please, continue to motivate your child to do his or her best until the final day of school. It does not matter if they have all A's. It does not matter if they have surpassed the AR goal. A job well done is one that is seen to full completion. Anything but excellence would be falling short of who we are and what our students are capable of. Let's give one final push across the finish line!

REGISTER FOR THE 2023-24 SCHOOL YEAR!
We have a number of tours taking place at this time and so much interest in different areas of our school. Some areas such as 7th grade have been closed for registration. Some are nearing that point. Others have interest from outside of our school families. Thank you for being one of the reasons so many want to learn more about St. Joseph Catholic School. To ensure that St. Joseph remains a home for your child, register today. All returning families are able to do so by going to your FACTS account. As always, please contact the school office if you have questions. St. Joseph, pray for us.

Also known as:
CAREFULNESS

DEFINITION:

PRAYER:

Dear Jesus, my actions affect not just myself, but others. Please give me the wisdom to think before acting. Please give me the gift of counsel, that I may act in the best way at each moment of the day.

LOOKS LIKE:

Asking for advice from an older, trusted person

SOUNDS LIKE:

May I ask you for advice about something?

BLESSED MIGUEL PRO

As a boy Miguel had many friends, and he loved to play practical jokes. He became a priest at a time when the Catholic Church in Mexico was being persecuted. He used his knack for putting together disguises to work undercover and bring the sacraments to many suffering people. He was able to serve his people during this persecution, seeing what was needed at critical moments. Fr. Miguel Pro died a martyr for the faith.

Camp Descriptions

Cooking Around the World, Gardening, and Circus Camps: Get ready for summer fun with our exciting camps. Prepare and eat a meal from five different countries, explore your green thumb and gardening skills, and play under the big top with us this summer.

Sports Camp 1 & 2: We will play all sorts of sports during this camp including dodge ball, kickball, gaga ball, volleyball, basketball, and many more. Keep active with this camp.

Superheroes of the Bible and Dive into God's Word: These camps will incorporate indoor and outdoor activities, as well as other educational games and crafts that will build their character, social, and leadership skills in a Christian environment.

Reading Camp 1 and 2: This week will be a fast-paced and fun way to complete a student's assigned summer reading requirements. We will read the books and complete the required assignments, but we will also enjoy some fun activities and projects using our books as our framework during this terrific camp. This will be a great way to complete the assigned reading while having fun for the students (along with less stress for their parents).

Drama Camp: Students who like being dramatic (pun intended), acting, and entertaining will enjoy this camp! This camp is dedicated to all things involving the theatre. We will explore improv, getting into character, making costumes and props, puppetry, and acting out scenes from our favorite stories.

Art Camp: This camp is for new and former campers who enjoyed Perler Bead activities. Along with our Perler Bead art, we will paint and sculpt and create murals. We will also design mosaics and create some wonderful keepsakes.

Mystery Camp: Every day of Mystery Theme Summer Camp is a mystery until you arrive! Each day will be a different theme, and the day's activities, foods, crafts, and movies will all revolve around the theme of the day.

Decades Camp: Students will travel in time through the 20s, 50s, 60s, 70s and 80s. They will visit a decade each day and learn about that decade's favorite games, popular music, foods, and much more!

Mission Impossible Camp: Students will have missions to solve all week! They will use clues and secret messages to investigate. An "Escape Room" will close out this fun filled camp!

Vacation Bible School: St. Joseph Catholic Church presents A Radical Ride of the Wings of Prayer with Amazing Angels and Super Saints. Registration for VBS is done through the St. Joseph Church website at www.stjosephchurch.net

Archery Camp: Join the SJS Archery Team for a camp full of fun learning all about archery. Campers will have an opportunity to learn the basics of archery, shoot bows, and have fun!
