We are proud of all of our students this year. It was the first year for our Religion Fair in 6th and our top 5 went to present to Bishop Malone. We had an 8th grader who was chosen as best private school student in the state.

Our Boy Falcons basketball team went on a 10-game winning streak, finishing second overall. With being voted best private school 2 years in a row, our students were certainly successful in a year dedicated to our patron, St. Joseph! Let us pray that the 2022-23, if it be God's will, be another year of great blessings and achievement for our students! St. Joseph, pray for us.

Virtue of the month:

FORESIGHT

Consideration of the consequences of one's actions

FORESIGHT LOOKS LIKE:

- Someone thinking

FORESIGHT SOUNDS LIKE:

- "I can't do that because..."

Saint of the month:

ST. JOHN BOSCO

He devoted himself to training boys how to make a living and teaching them to love God. He believed that, instead of threatening young people with punishments, it was more effective to show them they were loved and trusted. His foresight prevented many young men from falling into evil ways and brought them instead to embrace virtue and holiness.

Camp Descriptions

Camping Adventures: This is a great alternative to traditional daycare, because not only will it allow students to connect with classmates, but it will also encourage the students to continue learning while school is out! We will incorporate indoor and outdoor activities, as well as other educational games and crafts. Students will have a summer full of smiles where they'll learn and play! They will also build their character, social, and leadership skills in a Christian environment.

Around the World: Students will "Travel" to one or two countries each day from each of the continents, play traditional games from the hosting country, learn some of their traditions, music, traditional dances and art. Taste some traditional food, learn a few phrases in the language of the country they visit and do arts and crafts.

Sports Camp: We will play all sorts of sports during this camp including: dodge ball, kickball, gaga ball, volleyball, basketball, and many more. Keep active with this camp.

"Chill Out" at Decades Camp: Decades Camp is going to be "All that and a bag of chips!" Join us as we experience what it was like to be a kid in the 1920's, 1950's, 1970's, 1980's and 1990's. We will play their games, speak their "jive talk," watch their movies, eat their foods, and more!

VBS at St. Joseph - Marvelous Mysteries: This VBS will immerse kids in the greatest mystery on earth as they learn about the incredible treasure of the Mass and develop a deeper love for Jesus in the Eucharist. Registration is online at stjosephchurch.net

Factory Fun Maker: Made by God: This week we will have fun learning that God made us and how much he loves us. Hands on activities, crafts, and creating. Students must be potty-trained to attend camp. Snacks will be provided and students need to bring their lunch daily.

What a Zoo! Explore your favorite Zoo animals! Understand the reasons how and why zoos are designed and built. Determine which zoos provide the best environment for animals. Compare animals in zoos with animals in their natural habitats. You be a zoologist and care for animals in your own zoo!

Creepy Crawly Ocean Creatures & More: Students will learn about the different ocean zones and the creatures that live there. They will have creepy and crawly ocean creatures day, shark day, whale day, and more. They will learn about the ocean animals food chain, play ocean games, do arts and crafts, and even go on a virtual aquarium field trip!

God's Creation: This is a great alternative to traditional daycare, because not only will it allow students to connect with classmates, but it will also encourage the students to continue learning while school is out! We will incorporate indoor and outdoor activities, as well as other educational games and crafts. Students will have a summer full of smiles where they'll learn and play! They will also build their character, social, and leadership skills in a Christian environment.

Little Cheer Camp: Basic Cheer Camp - Learn basic skills to prepare you for cheerleading. We will work on having sharp motions, basic stunts, and cartwheels. We will also learn a handful of cheers.

God Bless the USA: This camp will focus on America and our community helpers. We will do several service projects for our area police officers and firemen, as well as cards for our troops overseas. Students must be potty-trained to attend camp. Snacks will be provided and students need to bring their lunch daily.
