Dear SJS Families,
Thank you for taking the time in filling out the surveys that were emailed to you over the last couple of weeks. The data collected not only assists us in the accreditation process, but also for us to improve as a school. While we can always focus on the great things that we do, it is important to reflect on how we could improve. Hearing from you and responding to your needs are just part of the process. Some of our families will be asked to assist by being interviewed by the panel from the engagement review. In advance, I say thank you for participating so that it will always be a great time to be Falcon at St. Joseph's!

If you paid attention to Facebook, you will see that we have an online store through BSN. Other schools like Loyola College Prep offer a similar service. The collar and crew neck items can be purchased and worn as spirit wear. There are many other items available that can be purchased for outerwear and for gift items that show your support for St. Joseph Catholic School. Our grand opening sale is happening right now! Use the promo code SPIRIT21 and receive 25% off of your order. Please see the promotion on the next page and place your order. **NOTE: STUDENTS ARE PERMITTED TO PURCHASE HOODIES AND MAY WEAR THEM AT SCHOOL EXCEPT FOR MASS.**
