

FALCON NEWS

PRINCIPAL, CLAYTON COBB
ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Catholic School Families,
Be very proud of the students of our wonderful school. Our young people time and time again, prove themselves to be virtuous and graceful. During Catholic Schools Week, we held a fundraiser for Mary's House, an local pregnancy center who helps mothers in need of assistance. Our donations would serve to purchase care packages for the mothers.

SJS students collected \$2,287.83. We are told that the amount raise would serve to fund around 300 care packages for new mothers who need supplies for their babies. Support of life of both babies and mothers are causes that reflect our values as a Catholic institution. I ask that we continue to pray for the organization, Mary's House, as well as those who will benefit from their ministry.

We should be very proud of our students for the display of their giftedness at our talent show. This was the first time that we have had such a performance here in the last three school years. We saw talents that included students from grades 3-8 who sang, danced, and entertained the entire student body.

No doubt, the students of St. Joseph Catholic school have learned the importance of investing. Investing in yourself is important to achieve great things. Do so with hard work and prayer. Invest in others for no benefit other than the ability to make a difference in their lives. This is truly the work of our patron saint. Like St. Joseph, may they invest in their relationship with Christ to become saints themselves.

The Virtue of

TRUSTWORTHINESS

Saint of the Month:

ST. TARCISIUS

- A young altar server during the Roman persecutions
- Entrusted to carry the Eucharist to Christians in prison
- When a group of Pagan boys realized he was Christian, they attacked him.
- His attack led to his death but he never relinquished his hold of the Eucharist- the precious gift entrusted to him.

SJS MARDI GRAS MAMBO SILENT AUCTION

What is a wine pull? Well, at our MARDI GRAS MAMBO SILENT AUCTION on **MARCH 12**, wine bottles will be wrapped and numbered! We will be selling corks with numbers on them to match the wine bottles. Each wine pull cork will cost \$10. When you purchase a cork, you get to take home the wine bottle with the matching number! There is no limit on how many you purchase! Can't make the event? No problem you can purchase your wine bottle (numbered cork) before the event. Everything will be on Handbid.

It's also an easy way to donate an item to our silent auction and generate good money for our school! We will be receiving wine bottle donations (valued at \$10 or more) at school morning and afternoon carpool from now until **March 11th**. They can be dropped off anytime in the school office. We do ask that wine bottles be in a bag when they are dropped off.

If you need our volunteers to come pick up bottles from you, please contact Bridget Ezernack. Thank you for helping us make this a super fun and very successful fundraising event for our school!
