

# FALCON NEWS

PRINCIPAL, CLAYTON COBB

ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Families,

Registration is now open! That's right! Registration for the 2024-25 school year is now open to all families. I strongly recommend registering as soon as possible. Some classes may have a little wiggle room. Some areas are almost filled. Please be sure to register as soon as possible. Registering early not only guarantees your child's spot for the up coming school year, but allows for the school to begin preparing for predictive class sizes and strategizing to meet those needs.

For families who will have new students in grades k5-8th, as well as any upcoming k5 student, you may apply for specific scholarships that will help with the cost of tuition. As of now, those available to our families are: ACE, Arete, and Aspiring Scholars. Tuition assistance is something we are asked about each year. Remember, when you register you should begin the application for tuition assistance. Assistance is awarded through the Diocese of Shreveport and can be applied to the accounts of students in grades k5-12th grade. It is important that families that have such a need, fill out the application accurately and in its entirety.

Please know that if you have friends, family members, or others that you know that missed out on our open house, they are still able to find out more about St. Joseph Catholic School by scheduling a personal tour with the principal. We love our entire St. Joseph family and are excited to welcome more families to this wonderful community.

Finally, if you won anything at the recent Boots and Bling fundraiser, you need to arrange for pick up of your items as soon as possible. Thank you for sponsoring our school! St. Joseph, pray for us.
