ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Families,
The SJS Parent-Student Handbook was sent out over the summer, emphasizing the importance of parents reading the document so that there are clear expectations for each year. Please be sure to take time to do so. I ask that parents take time to read the attendance policies. To help parents keep track of attendance, the school will be notifying you along certain intervals of tardies and absences. With everything, we have to work together! Everyone- teachers and parents- wish to ensure greater student success in the classroom. Outside of making sure that your child gets a good night's rest, the most important way to set your child up for success is having them at school and on time (unless they are sick because nobody wants that). This ensures that they do not miss the necessary instruction that occurs. We ask that you provide communication with us when a child is ill or must miss due to extenuating circumstances. This will allow your child to make up work missed in an expected and appropriate time frame. Parents, please make every attempt to attend the Technology night on Tuesday, August 27th in the gym. Some parents still struggle with FACTS and where to locate important resources. This year, we have introduced a number of apps to hopefully make life easier. Bloomz has proven to be an effective communication tool, but some are struggling with the app. We have introduced a single sign-on app known as Clever. Learning how to use all of this will not only benefit your child, but you as well. Starting Friday, September 6th, we will have Adoration of the Blessed Sacrament, 9AM-3PM every first Friday of the month. We invite parents to attend and pray with us for the entire St. Joseph family. Have a blessed week. St. Joseph, pray for us.

VIRTUE OF CHARITY

DEFINITION:

Enables one to love as God Himself loves, to love God above all things, and one's neighbor as oneself

PRAYER:

O My God, I love You above all things with my whole heart and soul because You are all good and worthy of all my love. I love my neighbor as myself for the love of You. I forgive all who have injured me and ask pardon of all whom I have injured. Amen.

ST. TERESA OF CALCUTTA

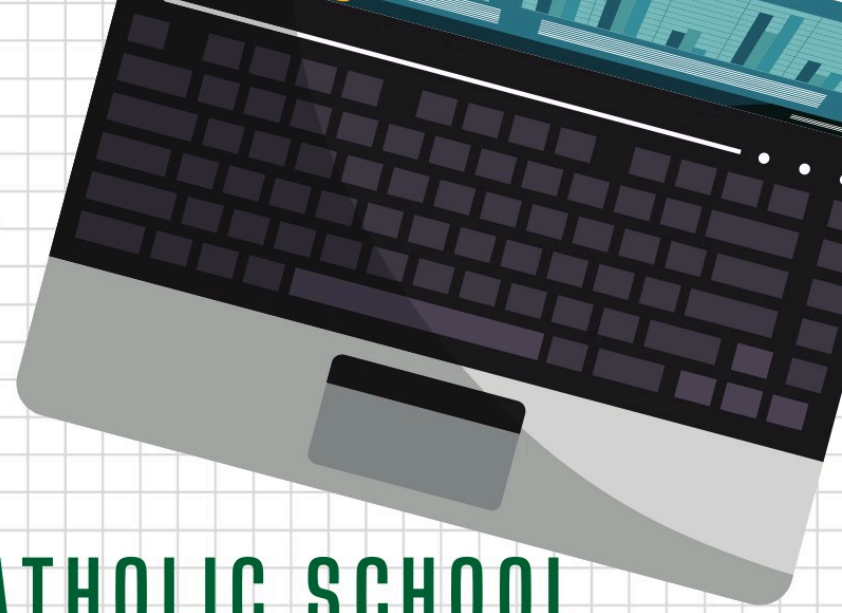

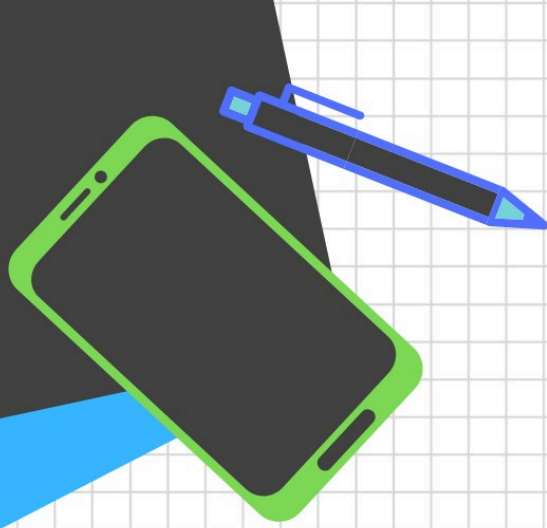

She was on a train in India when she heard God's call to serve the poorest of the poor. She obeyed him and founded the Missionaries of Charity. She and her sisters took care of the very sick and poor people in Calcutta, picking them up off the streets and giving them a clean bed to lie upon. She was always gentle and patient with those who were suffering, and she taught her sisters to do the same. After she died, the world found out that her joy was the fruit of her patient acceptance of suffering. After that time on the train, Teresa never heard God's voice again. In fact, she felt like He had abandoned her. She even accepted this with a smile and it opened her heart to show God's love to others.
