ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Families,
The celebration of a milestone is no small thing. We celebrate moments in life that are special to us. On Tuesday, September 17th, our school turns 73! When our parish was founded in 1949, it was every part of the vision of Bishop Charles Greco and Fr. Joseph Gremillion to establish a parish school when breaking ground. As our church celebrates its Diamond Anniversary this November, it is a blessing to know that the school has been part of the rich history of this parish.

Part of the history of the school is having a community that surrounds the campus with prayer and support. It is evident that the virtue our school promotes is desired and practiced among the families as well. At the heart of every Catholic school is the practice of the faith in worship. With this in mind, please note: **OUR ANNIVERSARY MASS WILL BE HELD ON WEDNESDAY, SEPTEMBER 18TH AT 8:15 AM.**

Whether you are a current parent, grandparent, or alumni, we'd love for you to attend this week! Coming together in prayer and worship is a statement as what is the true priority of our school- leading our students to heaven.

Support for the school can be done a number of ways. For instance, have you gotten your tickets for the most fun event of the fall season- FALCON FEST! Scan the QR Code on page 3 to get your wristbands and t-shirts ordered. We'd also like to remind you that this NOT just for school families. All members of the community are welcome to be part of this family friendly event. I also invite you that your business may choose to support our school's mission by becoming one of the SJS Partners in Education. Your support helps to bridge a gap to cover costs not covered by tuition. Thank you, everyone for your prayer and support, making it a great time to be a Falcon! Have a great week! St. Joseph, pray for us.

IT'S A GREAT TIME TO BE A FALCON!

VIRTUE OF PATRIOTISM

DEFINITION

Paying due honor and respect to one's country, with a willingness to serve.

PRAYER

Dear Jesus, please bless my country and all those who work hard to lead it. May You always be King of this land. May You be glorified through its government and laws. Give me a heart of service.

ST. LOUIS IX

Louis IX was a great French king who combined his love of Christ and the Church with a willingness to serve his country. He protected and helped the French priests, set up shelters and hospitals for the poor and sick, and built beautiful churches for the people of France. He also gave thought to his own prayer life, spending many hours in prayer for himself and his country.

Introducing SJS Partners in Education

August 28, 2024

Dear St. Joseph Catholic School Community,

We are thrilled to share a new fundraising initiative at St. Joseph Catholic School: Partners in Education! Beginning this school year, businesses and families will have the opportunity to pledge year-long support to St. Joseph Catholic School.

Donors will gain many added benefits, such as:

- Visibility at popular events:
 - Falcon Fest
 - PTO Silent Auction
 - Falcon Shoot Out
- Digital Signage
- Print Recognition

And much more!

We ask all SJS families to help spread the word about the incredible opportunity to support St. Joseph Catholic School and provide excellent visibility for businesses. More information will be shared in the coming week, but for now, we ask that all families help identify businesses that they think may benefit from this partnership opportunity and email their information to PTOpresident@sjsfalcons.org.

With levels starting as low as \$500 for year-long brand recognition, this is an opportunity not to be missed. We understand you have many worthy causes to support, and we are truly grateful for your consideration. Your generosity will play a crucial role in ensuring that St. Joseph Catholic School continues to thrive and set new standards in education.

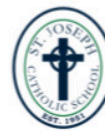

We are deeply grateful for your unwavering support and commitment to St. Joseph Catholic School. Together, let's make this campaign a resounding success and further our standard for excellence in education!
