

FALCON NEWS

PRINCIPAL, CLAYTON COBB

ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Families,
Well wasn't that an interesting first week back?! While there are varying opinions on weather days, we are certainly happy that all of our families were able to return safely to school on Monday morning. It is a warmer week but we have heard that next week will be another encounter with low temperatures. As always, we will keep an eye on the weather and communicate with SJS families as soon as possible.

Registration will be open **THIS THURSDAY** for current families. You will have the link sent to you to register your family this week. We want our school families to take advantage of this early access so that that you will not be competing for spots when registration opens for everyone at the end of the month during Catholic Schools Week. If for some reason you do not receive the link, please contact the school office. Note: only accounts that are current on tuition will receive the link for registration. Speaking of the 25-26 school year, if you have family members, friends, or co-workers who are interested in learning more about St. Joseph, please invite them to our upcoming open house event mentioned to the right.

Have you downloaded the **HANDBID APP** to order your tickets for this year's Silent Auction and Soiree? Do so today! This adults only event sponsored by the SJS PTO is one of the best times of the school year. In addition to a fun night out for mom and dad, you have the opportunity to bid on a number of items that will benefit our school. I hope to see you there! Remember, no school on Monday! St. Joseph, pray for us.

ST. IGNATIUS OF LOYOLA

Ignatius was a Spanish soldier, eager for fame, pleasure, and worldly glory. In a battle with the French, his knee was severely injured. During his long recovery he read several books, mostly about heroic knights and their adventures. Then he started reading books about the saints.

He realized that being holy was a far more exciting adventure than being a soldier. After his recovery, he gave his whole life to Jesus. He founded the Society of Jesus. Many of his priests became great missionaries who always wanted to give glory to Jesus like St. Ignatius taught them.
