ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Families,
It is always a blessing to experience grandparents day with our community. I wish to extend a big thank you to our PTO for helping make this event a blessing to our grandparents. Breakfast was certainly a hit! Whether they drove 10 minutes or 10 hours, they were happy to be here with the sweet students of our school. Grandparents represent a legacy of love for many families and are where most of us received our understanding of faith. We always wish for this day to be special and we hope to do so next year on [February 13, 2026](#). Mark your calendars!

Registration is open to all families. March 1st is an important date to mark on your calendars as it draws early bird registration to a close. It is also the date in which LA Gator will open registration for the scholarship opportunity. We had several families attend last week's meeting. I wish to remind everyone that there are several ways to qualify for the scholarship:

- Current State Scholarship Families
- or Income level at 250% or below federal poverty line
- or Student enrolled in K5 for 2025-26
- or Student transferring from public to private school for 2025-26

Those who qualify for the scholarship are eligible to receive at least \$5,243 for the upcoming school year. Please do not miss out on this opportunity if you are eligible to participate.

We also invite our families to come and hang out with us on Friday for Dream Big's second presentation at SJS. They are as inspiring as they are fun. Details in upcoming events! St. Joseph, pray for us.

ST. PADRE PIO

Pio of Pietrelcina was an Italian Capuchin priest known affectionately as “Padre Pio.” God gave him several extraordinary graces and favors. He received the stigmata (the wounds of Christ), could read souls, bi-locate, and work many miracles. Not everyone believed that Padre Pio’s abilities came from God. There were several rumors and false accusations. For a time, his superiors forbade him from doing the two most important tasks of a priest: saying public Mass and hearing confessions. He obeyed without complaint and did all that was asked of him. Soon his superiors recognized the falseness of the accusations and restored his faculties as a priest.
