## Days 1-5

| Day   | IXL skills                                    |
|-------|-----------------------------------------------|
| Day 1 | Multiplication facts for 6, 7, 8, and 9 XT7   |
| Day 2 | Measurement word problems VPW                 |
| Day 3 | Subtract across zeros 93U                     |
| Day 4 | Division facts up to 10: true or false? MPV   |
| Day 5 | Multiplication and division word problems 85K |

## Days 6-10

| Day    | IXL skills                                                 |
|--------|------------------------------------------------------------|
| Day 6  | Match fractions to models YHL                              |
| Day 7  | Find equivalent fractions using area models: one model 6DY |
| Day 8  | Round to the nearest ten or hundred Q65                    |
| Day 9  | Two-step word problems: identify reasonable answers V5A    |
| Day 10 | Multiply by a multiple of ten MS6                          |

## Days 11-15

| Day    | IXL skills                                                             |
|--------|------------------------------------------------------------------------|
| Day 11 | Find equivalent fractions using number lines JL8                       |
| Day 12 | Multiplication facts for 6, 7, 8, and 9: sorting TZ7                   |
| Day 13 | Graph and compare fractions with like denominators on number lines 63U |
| Day 14 | Use bar graphs to solve problems BCJ                                   |
| Day 15 | Graph and compare fractions with like numerators on number lines ZPD   |

## Days 16-20

| Day    | IXL skills                                                              |
|--------|-------------------------------------------------------------------------|
| Day 16 | Draw squares, rectangles, rhombuses, parallelograms, and trapezoids 5KS |
| Day 17 | Perimeter of rectilinear shapes 65Z                                     |
| Day 18 | Find the area of rectangles and squares 8KJ                             |
| Day 19 | Division facts up to 10: sorting CYJ                                    |
| Day 20 | Two-step multiplication and division word problems 8FP                  |
