

FALCON NEWS

PRINCIPAL, CLAYTON COBB

ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St Joseph Families,
Registration for the 2026-27 school year is underway. As always, St. Joseph gives first priority to all families currently enrolled for the 2025-26 school year. Families were also emailed the tuition rate for the upcoming school year. Today, parents received an email with a link to begin the enrollment process. Please log on as soon as possible. If you do not receive the enrollment link, please contact the school office for assistance.

As we journey through the first few weeks of the nine-week period, it is important to consider an important factor in a child's education: being present. It is understood that students will miss school when they are ill. Still, unexcused absences total up and can prevent a student from being promoted. Along with unexcused absences, unnecessary absences result in students missing critical instruction and struggling in lessons. This contributes to a decline in academic performance. The best advice, as always, is to show up and do your best.

REGARDING THE POSSIBLE WINTER STORM: Parents are rightfully concerned with the impact of the upcoming winter storm. As of now, there are too many factors at play, and this is way too early to "call it." As always, a decision will be made at the appropriate time regarding whether school remains open or closed. For now, plan to be present for school next week for all Catholic Schools Week activities. Don't forget to invite a friend to the open house! St. Joseph, pray for us.

IT'S A GREAT TIME TO BE A FALCON!

VIRTUE OF **KINDNESS**

DEFINITION: Expressing genuine concern about the well-being of others; anticipating their needs

ST. VERONICA

PRAYER: Dear Jesus, You are kindness itself. I desire to show charity toward my neighbor through my thoughts, words, and actions. When others meet me, let them meet YOU in me!

LOOKS LIKE:

- Carrying bags for someone
- Talking to someone who seems sad
- Giving a glass of water to someone who is thirsty
- Sharing your jacket with someone who is cold
- Helping someone clean up a spill

Tradition gives us a woman named Veronica who wiped the face of Jesus with her veil as He bore His cross to Calvary. The soldiers were treating Our Lord cruelly, and everyone feared getting in their way. Veronica, however, saw the Lord's pain and thought that wiping the blood and sweat from His face might aid Him a little. The image of the Lord's face was left on her veil. Her kind act is remembered in the sixth Station of the Cross.
