

FALCON NEWS

PRINCIPAL, CLAYTON COBB

ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Families,
Let us take an initial moment to congratulate our Lady Falcons in their run at the championship this year! We are proud that you finished 2nd in our league, and we pray for your future success. Thank you for making all of us so proud to be your fellow Falcons!

As stated last week, St. Joseph participates in Give for Good. This is an online giving event that is an engaging and exciting 24-hour challenge led by the Community Foundation of North Louisiana. It raises millions of dollars in unrestricted funds for North Louisiana organizations and unites community members in celebrating the vital work of nonprofits.

GIVE FOR GOOD IS THIS TUESDAY, but you can begin giving now. You can begin by scanning the QR Code or going directly to the link on the website and selecting our school. Thank you in advance for your continued generosity and support of St. Joseph Catholic School.

Let us also extend our gratitude towards our SJS Dads Club. Our annual Falcon Shootout was this past Saturday. We appreciate all who participated in sponsorships and our families who participated in the shootout itself. A special thank you goes to Andrew Pringle, dad and alumni, who organized the event, and to Marty Wooldridge for heading up our dads club the last few years. Without their work, the event could not be what it is.

MOMS! Don't forget that Mother's Day Mass and May Crowning are this Wednesday. Remember to line up with us in the school breezeway as we process in. St. Joseph, pray for us.

ST. GENEVIEVE

Genevieve was a young consecrated virgin when Paris was being invaded by the Franks. They had surrounded the city hoping to starve the people into surrender. She led a fleet of small ships up the river to gather grain. They brought it back to Paris, where several women went around the besieged city giving bread to anyone in need. In this way, they had enough to eat until the Franks were defeated.
