

FALCON NEWS

PRINCIPAL, CLAYTON COBB

ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Families,
After an amazing Teacher Appreciation Week, we had a blessed time celebrating our students with our athletic banquet and our field day. These events remind us that students are capable of doing just as well outside the classroom as in it. I wish to extend a special thank you to all the coaches and sponsors who provide the guidance our students need to be successful on the range, the course, and the courts. Thank you for giving of your time and energy for all of our Falcons!

Please take a moment to review a few matters. Log onto your FACTS account to catch up on any outstanding financial matters. Whether it be an athletic fee, after-school care, cafeteria charge, or any cheer fees, please be sure to take care of these matters prior to the end of the school year. When all outstanding accounts are addressed, please take the time to finalize your registration information for the 26-27 school year. For those in need, be sure to apply for financial aid.

YEARBOOKS DISTRIBUTION ON THURSDAY: PLEASE READ! Yearbooks are being distributed on Thursday. These are important keepsakes that families treasure for their memories. Please see this as a gentle reminder that any writing in a person's yearbook should be appropriate and welcomed. Students who choose to deface or write any unwelcome comments will be expected to pay for the yearbook. Let us practice the virtues of respect and self-control in these matters. St. Joseph, pray for us.

ST. GENEVIEVE

Genevieve was a young consecrated virgin when Paris was being invaded by the Franks. They had surrounded the city hoping to starve the people into surrender. She led a fleet of small ships up the river to gather grain. They brought it back to Paris, where several women went around the besieged city giving bread to anyone in need. In this way, they had enough to eat until the Franks were defeated.
