

How to access SJS Summer apps

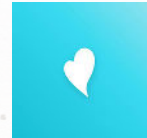

CLEVER

IXL

BEANSTACK

ALL ARE AVAILABLE IN THE APPLE STORE

AND GOOGLE PLAY. IF USING A PHONE OR TABLET, I HIGHLY RECOMMEND INSTALLING THESE APPS.

1

All school apps can be accessed through Clever. Clever is a single sign-on site that uses badges or our school email to access all apps. You can download the app or access it on our website.

2

To find our Clever link, visit the SJS website at https://sjsfalcons.org/student-life/#Summer_Reading_Math

3

Once at Clever, choose to log in with the badge (the QR code) or by email. Students' emails are their first initial, last name, & graduation year. For example, asuckle32@sjsfalcons.org Middle school may have a PIN when they use their badge. They set it up at the beginning of the year. Email me for a reset.

4

Once in Clever, you can click on iXL. If you have the iXL app downloaded, you can work in it. If not, it will go to the website version of iXL. You can also access Beanstack and all our other apps in this portal. Students have access to all of the apps year-round.

5

Once in iXL, click on skill plans. You can find the pinned Summer Boost plans. You can also search by the skill code found on the handouts.

6

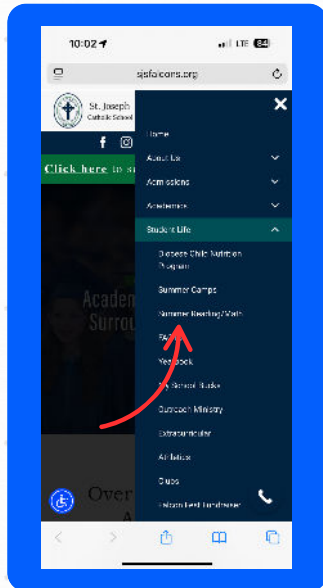

Students can choose the skill they would like to work on. There are 20 review skills for each grade (2-8). they must earn at least an 80.

STILL CAN'T GET IN? EMAIL MRS. SUCKLE KSUCKLE@SJSFALCONS.ORG

How to access CLEVER on a phone/tablet

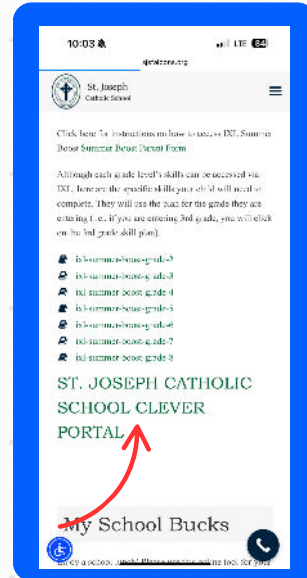

1

GO TO WWW.SJSFALCONS.ORG
