

PARTNERS IN EDUCATION

75 FOR 75: A LEGACY OF FAITH, A FUTURE OF EXCELLENCE.

FOR ST. JOSEPH CATHOLIC SCHOOL

As we celebrate this milestone year, we have set an ambitious goal to raise \$200,000 through our 2026- 2027 Partners in Education campaign to strengthen and sustain the exceptional experience that defines St. Joseph School. We are inviting valued community partners like you to invest in the future of St. Joseph Catholic School through year-long sponsorship support. Your generosity will make a lasting difference while also providing meaningful visibility for your organization among our nearly 300 school families, parishioners, alumni, and the greater Shreveport community.

As we celebrate 75 years of excellence, we invite every school family, parishioner, alumni, and community supporter to participate. Our hope is for 100% participation, with a minimum gift of \$75 helping us build the future of St. Joseph Catholic School together.
