PRINCIPAL, CLAYTON COBB

ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Families,
Do you read Page 2 of the Falcon News? It is important because it is virtue of the month. August's virtue is also thematic for the entire year. As you see, this month is the virtue of hope and the saint we strive to imitate is St. Jude. It is asked that you take the time to read over the virtues with your children and reflect on how they may live more virtuous in their day to day lives. Look at the life of the saint and examine how living like him or her will help them to live out their calling.

You will notice a new saint on the first Monday of every month. We try to acknowledge Christian witnesses the first Wednesday of every month. That is the person in the grade who either set the best example in this particular virtue or someone that has shown the most growth. This year's virtue award winners will receive a free dress day pass for setting an amazing example. St. Joseph believes in healthy and effective partnership between home and school. One of these matters is to form strong relationships with our children/students.

Please save the date for Wednesday, September 16th On that evening at 5:30 PM in the school gym, Mr Davis who is a known counselor, speaker, and author, will present to parents and students who wish to attend on building strong relationships, healthier kids, and kinder communities. It is a very important and informative presentation that we at St. Joseph hope that families will consider attending. We hope that everyone has a great week and blessed finish to the month of August. St. Joseph, pray for us.

IT'S A GREAT TIME TO BE A FALCON!

VIRTUE OF **HOPE**

ST. JUDE THE APOSTLE

It is believed that St. Jude was a cousin of Jesus and may have been the brother of St. James the Less. He was named by Christ as one of the 12 Apostles. After spreading the Gospel throughout Judea, he continued the mission by going all over Mesopotamia and is known for authoring an Epistle. As the patron of lost causes, he is often attributed to the virtue of hope.

DEFINITION:

Enables one to desire God above all things and to trust him for personal salvation.

PRAYER:

**Lord God,
I hope by Your grace for the pardon of all my sins and after life here to gain eternal happiness, because You have promised it, Who are infinitely powerful, faithful, kind, and merciful. In this hope I intend to live and die. Saint Jude, pray for us. Amen.**
